

Corcoran Neighborhood Organization

NEIGHBORHOOD CONVERSATION KIT

Corcoran Neighborhood Organization wants to hear from YOU - residents and those who work in our neighborhood. In addition to our online survey, we are inviting neighbors to gather informally and talk about what is important to them as a neighbor. We've developed this conversation kit to facilitate and capture some of your ideas.

1

PLAN A MEET UP

Pick a day and time when you can visit with household members, co-workers or neighbors. Invite your neighbors through a local chat or in-person invite.

2

INVOLVE EVERYONE IN THE HOUSEHOLD

Everyone in your house can participate regardless of age or ability. Try to make your conversation as accessible as possible.

3

SHARE & CARE

Listen and share your thoughts with your neighbors. Ask questions to understand another person's perspectives.

4

TAKE NOTES

Choose a notetaker in the group who can capture each others ideas. Encourage multiple people to take notes if that is more helpful.

5

RETURN THE FORM

The CNO Board and Staff will review all responses received by October 30 and include them in our strategic planning sessions in November. Thank you for being a part!

Corcoran Neighborhood's boundaries are Lake Steet to the north, Hiawatha to the east, Cedar Ave to the west and 36th Street to the South.

2026 Neighbor Conversation Kit

Take a picture of this form and email it to info@corcoranmpls.org or drop it off at 3451 Cedar Ave S by October 30 2026.

Introduction: Names, pronouns, connection to Corcoran.

Go Around: Do you feel connected to your neighbors? Why or why not?

What do you wish existed within the organization/within the neighborhood?
(Think: initiatives, programs, projects, communication, etc)

What programs/projects might you
invest in to support your community?

What other neighborhood
priorities are important to you?
